MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to a low simmer. Cook until tender, 15–18 minutes. Keep covered off heat until ready to serve.

3.

Heat a **large drizzle of oil** in a medium pot over medium-high heat. Add **seasoned tofu**; cook, undisturbed, for 2–3 minutes, until lightly browned. Add **chickpeas**; cook, stirring occasionally, until chickpeas begin to pop, 2–3 minutes more.

5.

Fluff **rice** with a fork. Divide **curry** between bowls. Pick **cilantro leaves** from stems and sprinkle over curry. Serve rice family style on the side.

2.

Meanwhile, **wash and dry produce**. Open and drain **tofu**; press out excess water with paper towels. Use your hands to break apart tofu into ½-inch pieces (**it's OK if they're not all uniform!**); season with **curry powder**, **turmeric**, and a **pinch of salt**. Drain and rinse **chickpeas**. Remove strings from **snow peas**.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes.

4.

Add **tomatoes**, **coconut milk**, **veggie stock concentrates**, **mushroom stock concentrate**, **½ tsp sugar**, and **½ tsp salt** (**1 tsp sugar and 1 tsp salt for 4 servings**). Bring to a simmer, then reduce heat to low; cook, stirring occasionally, until chickpeas are tender, 2–3 minutes. Add **snow peas** to **curry**; stir to combine. Cook until snow peas are tender, 30–60 seconds. Taste and season with **salt**.

When chickpeas are tender, add **chicken** to **curry**. Add **snow peas**; cook through the rest of the step as instructed.
