MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges; toss on a baking sheet with a **drizzle of oil**, **half the Fry Seasoning** (you'll use the rest in Step 3), **salt**, and **pepper**. Peel **garlic**; place in the center of a small piece of foil. Cinch into a packet and place on same sheet. Roast on top rack until potatoes are browned and tender and garlic has softened, 20–25 minutes.

Adjust racks to top and middle positions. Arrange **bacon** in a single layer on a separate baking sheet; roast on middle rack until crispy, 15–20 minutes. Transfer to a paper-towel-lined plate.

3.

Meanwhile, in a medium bowl, combine **beef**, **remaining Fry Seasoning**, **½ tsp salt** (1 tsp for 4 servings), and **pepper**. Form beef into two ½-inch-thick rounds (four rounds for 4). Divide **cheese** between centers of each round. Fold edges of beef around cheese, shaping and sealing to create **cheese-stuffed patties**, each slightly wider than a burger bun.

5.

While patties cook, halve **buns**; toast until golden brown. Once garlic is done, remove from foil; mash **roasted garlic** with a fork until smooth. In a second small bowl, combine mashed garlic, **sour cream**, and **2 TBSP mayonnaise** (4 TBSP for 4 servings). Season with **salt** and **pepper**.

2.

While potatoes and garlic roast, halve, peel, and thinly slice **onion**. Heat a **drizzle of oil** in a large pan over medium heat. Add onion and a **pinch of salt and pepper**. Cook, stirring occasionally, until softened and lightly browned, 8–10 minutes. Add **half the vinegar**, **¼ cup water**, and **1 tsp sugar** (all the vinegar, ⅓ cup water, and 2 tsp sugar for 4 servings). Cook, stirring, until caramelized and jammy, 2–3 minutes more. Turn off heat; transfer to a small bowl. Wipe out pan.

4.

Heat a **drizzle of oil** in pan used for onion over medium-high heat. Add **cheese-stuffed patties** and cook to desired doneness, 3–5 minutes per side.

6.

Spread **buns** with a **thin layer of garlic sauce** and **ketchup** from your pantry if you like. Fill buns with **cheese-stuffed patties** and top with **balsamic onion**. Divide **burgers** and **potatoes** between plates. Serve with any remaining garlic sauce on the side for dipping.

Top **cheese-stuffed patties** with **bacon** along with **balsamic onion**.
