If the fig jam doesn't dissolve right away when you add it to the pan in Step 5, break up any clumps into smaller pieces with your spoon or a whisk. Eventually, this fruity condiment will melt into a deliciously sweet and sticky sauce.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. Peel and finely chop **garlic**. Toss potatoes on a baking sheet with a **large drizzle of oil** and a **pinch of salt and pepper**. Roast for 12 minutes (you'll add the broccoli then).

2.

Meanwhile, toss **broccoli** in a medium bowl with a **drizzle of oil** and a **pinch of salt and pepper**. Pat **pork** dry with paper towels and season all over with **salt and pepper**.

Swap in **chicken** for pork.

3.

Once **potatoes** have roasted 12 minutes, remove sheet from oven; carefully push potatoes to one side. Add **broccoli** to empty side. (For 4 servings, leave potatoes roasting and add broccoli to a second sheet.) Return to oven until veggies are browned and tender, 12–15 minutes more.

4.

While veggies roast, heat a **drizzle of oil** in a large pan over medium-high heat. Add **pork** and cook until browned and cooked through, 4–5 minutes per side. Turn off heat; transfer to a plate and set aside.

Swap in **chicken** for pork. Cook until cooked through, 3–5 minutes per side.

5.

Return same pan to medium-high heat. Add **garlic** and cook until fragrant, 30 seconds. Stir in **stock concentrate**, **jam**, and ¼ cup **water** (⅓ cup for 4 servings). Cook, stirring, until thickened and glossy, 3–5 minutes. Turn off heat; stir in 1 TBSP **butter** (2 TBSP for 4) until melted.

6.

Return **pork** to pan and turn to coat in **sauce**. Divide pork, **potatoes**, and **broccoli** between plates. Top pork with any remaining sauce from pan.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
