**Chopped
Chicken Breast ***

(10 oz | 20 oz)

Calories: 810

Ground Beef *

(10 oz | 20 oz)

Calories: 1000

WHAT YOU'LL NEED

**Kosher Salt
Black Pepper**

Mayonnaise
Contains: Eggs

Cooking Oil

Sugar

In Step 5, we instruct you to cook your rice undisturbed. Why? Direct contact with the hot pan helps the grains crisp up and develop a toasty flavor for the tastiest fried rice.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to use in Step 5.

3.

In a small bowl, combine **soy sauce**, **sweet soy glaze**, **half the sesame oil**, **half the vinegar**, and **1 tsp sugar**. (**For 4 servings, use all the sesame oil, all the vinegar, and 2 tsp sugar.**) In a separate small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4**) and as much **Sriracha** as you like.

2.

Trim, peel, and dice **carrots** into ¼-inch pieces. Peel and finely chop or grate **ginger**. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens.

4.

Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium–high heat. Add **carrots** and **pork**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until pork is slightly browned and cooked through, 4–5 minutes. Add **ginger**, **garlic**, and **scallion whites**. Cook, stirring, until fragrant, 30–60 seconds. Stir in **soy sauce mixture**; cook, stirring, until sauce has thickened and everything is coated, 1–2 minutes more. Turn off heat; transfer to a large bowl. Wipe out pan.

Open package of **chicken** and drain off any excess liquid. Swap in chicken (no need to break up into pieces!) or **beef** for pork. (If there's excess grease in your pan after cooking beef, carefully pour it out.)

5.

Heat a **drizzle of oil** in pan used for pork over medium–high heat. Fluff **rice** with a fork. Add rice in a single layer; cook, undisturbed, until a bottom crust forms, 2–3 minutes. Add **pork mixture** and stir to combine; season with **salt** and **pepper**. Spread **pork and rice** out in pan and press down into a single layer; cook, undisturbed, until rice is slightly crispy, 1–2 minutes more.

6.

Divide **pork fried rice** between bowls. Drizzle with **Sriracha mayo** and garnish with **scallion greens**.

*Ground Meat is fully cooked when internal temperature reaches 160°.

*Poultry is fully cooked when internal temperature reaches 165°.
