MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 400 degrees. Bring a large pot of **salted water** to a boil. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 8 servings), then drain. Reserve pot (you'll use it in Step 3).

2.

Grate **Parmesan** over a small bowl (skip this step if pre-shredded). Place **cream cheese** in a large microwave-safe bowl and microwave until just softened, 10–15 seconds. Stir in **cream sauce base**, **Monterey Jack**, **Parmesan**, **garlic powder**, half the **mozzarella**, and half the **Italian Seasoning**.

3.

Remove **sausage** from casing if necessary; discard casing. Heat a **drizzle of oil** in pot used for pasta over medium-high heat. Add sausage and cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. (If there's excess grease in your pan, carefully pour it out.)

4.

Reduce heat under pot with **sausage** to medium. Add **tomato paste** and cook, stirring occasionally, until sausage is coated and tomato paste is brick red in color, about 1 minute. Stir in **crushed tomatoes**, **stock concentrates**, and **remaining Italian Seasoning**. Taste and season with **salt** and **pepper**.

5.

Add **drained pasta** to pot with **sauce** and stir to combine. (If sauce seems too thick, stir in reserved pasta cooking water a splash at a time.) Add **half the pasta mixture** to an 8-by-8-inch baking dish (9-by-13-inch baking dish for 8 servings). Dollop with **half the cheese mixture**. Repeat with remaining pasta mixture and remaining cheese mixture. Sprinkle with **remaining mozzarella**.

6.

Cover **penne bake** tightly with foil (spray foil with nonstick cooking spray and cover dish, coated side down, to prevent sticking!). Bake on middle rack until cheese melts and sauce is bubbling, 20–25 minutes. Let rest at least 5 minutes before serving. Divide penne bake between bowls or serve family style directly from baking dish.
