MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a medium pot (large pot for 4 servings) of salted water to a boil. Wash and dry produce. Trim, halve, and thinly slice Brussels sprouts lengthwise.

2.

Heat a large dry pan over medium-high heat. Add pecans, 2 TBSP water, 1 tsp sugar, and a pinch of salt (4 TBSP water and 2 tsp sugar for 4 servings). Cook, stirring, until water has evaporated and pecans are lightly toasted, 3-5 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

3.

Once water is boiling, gently add pasta to pot and reduce heat to low. Cook, stirring occasionally, until tender and floating to the top, 3-4 minutes. Reserve ½ cup pasta cooking water (1 cup for 4 servings), then drain and set aside.

4.

While pasta cooks, heat a drizzle of olive oil in pan used for pecans over medium-high heat. Add Brussels sprouts; season with salt and pepper. Cook, stirring occasionally, until tender and beginning to brown, 4-5 minutes. Turn off heat; transfer to a plate. Wipe out pan.

Open package of chicken and drain off any excess liquid. Add chicken along with Brussels sprouts to pan used for pecans; season with salt and pepper. Cook, stirring occasionally, until chicken is browned and cooked through, 4-6 minutes. Transfer chicken and Brussels sprouts to a plate.

5.

Melt 3 TBSP butter (6 TBSP for 4 servings) in same pan over medium-high heat. Add half the rosemary (all for 4) and cook, carefully swirling butter in pan, until foamy and flecked with amber brown bits, 2-3 minutes. (The butter should smell toasty and nutty!) Reduce heat to low.

Use pan used for chicken and Brussels sprouts here.

6.

Add Brussels sprouts and a splash of reserved pasta cooking water (we used 2 TBSP) to pan with brown butter; toss to coat. Add drained pasta to pan and gently toss to coat. (TIP: If pasta seems dry, stir in more splashes of reserved pasta cooking water as needed.) Divide between bowls and top with candied pecans.

Add chicken and Brussels sprouts to pan. Cook through the rest of the step as instructed.
