\$20

In Step 1, firmly roll the lime on the countertop with your palm after zesting. This quick hack softens the fruit, helping it yield more juice.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and thinly slice **onion**; finely chop a few slices until you have 2 TBSP (4 TBSP for 4 servings). Dice **tomato** into ¼-inch pieces. Zest and quarter **lime**. Peel and finely chop **garlic**. In a small bowl, combine **chopped onion, tomato, and a squeeze of lime juice**. Season with **salt and pepper**; set aside.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **sliced onion**; season with **salt and pepper**. Cook, stirring occasionally, until lightly browned and tender, 4–5 minutes. Turn off heat; transfer to a plate and cover to keep warm. Wipe out pan.

5.

While turkey cooks, in a small microwave-safe bowl, whisk together **queso blanco** and 1 TBSP **water** (2 TBSP for 4 servings). Microwave until warmed through, 15–20 seconds.

2.

Melt 1 TBSP **butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add **half the garlic**; cook, stirring, until fragrant, 30 seconds. Stir in **rice, 1¼ cups water, 1 tsp Southwest Spice Blend (you'll use the rest later)**, and 1 tsp **salt** (2¼ cups water, 2 tsp Southwest Spice Blend, and 2 tsp salt for 4). Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

4.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **turkey and remaining Southwest Spice Blend**; season with **salt and pepper**. Cook, breaking up meat into pieces, until turkey is browned and cooked through, 4–6 minutes. Reduce heat to low. Stir in **Tex-Mex paste, remaining garlic, and 2 TBSP water** (4 TBSP for 4 servings); cook, stirring occasionally, until water has evaporated and turkey is evenly coated, 1–2 minutes more. Stir in a **squeeze of lime juice**.

Open package of **chicken** and drain off any excess liquid. Cook through this step as instructed, swapping in chicken (no need to break up into pieces!) for turkey.

6.

Fluff **rice** with a fork; stir in a **pinch of lime zest**. Divide rice between bowls. Top with **Tex-Mex turkey** and **sautéed onions**. Drizzle with **queso blanco** and top with **pico de gallo**. Serve **remaining lime wedges** on the side.

*Ground Poultry is fully cooked when internal temperature reaches 165°.
*Poultry is fully cooked when internal temperature reaches 165°.
