EveryPlate.com/referral

We love jalapeño for its fresh kick. If you're looking for a milder spice, however, remove the ribs and seeds before slicing—that's where most of the heat lives.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Thinly slice **jalapeño** into rounds, removing ribs and seeds for less heat.

2.

Heat a **drizzle of oil** in a medium pot (**large pot for 4 servings**) over medium-high heat. Add **onion** and as much **jalapeño** as you like (**reserve some for serving**); season with **salt** and **pepper**. Cook, stirring occasionally, until lightly browned and tender, 2–3 minutes.

3.

Meanwhile, peel and finely chop **garlic**.

4.

Add **garlic**, **tomato paste**, and 2 TBSP ketchup (**4 TBSP for 4 servings**) to pot with **veggies**; cook, stirring, until fragrant, 1 minute. Add **beef**, **Mexican Spice Blend**, and **garlic powder**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until beef is lightly browned, 2–3 minutes (**it'll finish cooking in the next step**).

5.

Add **beans and their liquid**, **stock concentrates**, $\frac{1}{4}$ cup **water**, $\frac{1}{2}$ tsp **salt**, and **pepper** to pot (**$\frac{1}{2}$ cup water and 1 tsp salt for 4 servings**). Bring to a simmer and cook, stirring occasionally, until slightly thickened, 3–5 minutes.

6.

Divide **chili** between bowls. Top with **cheese** and as much **remaining jalapeño** as you like. Dollop with **sour cream** and serve with **tortilla chips** on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
