You may notice that we pretty much always ask you to reserve a bit of pasta cooking water before draining your pasta. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help emulsify your sauce (aka turn it silky smooth). Basically, it makes good pasta great, and we'd never leave you with a bowlful of just *good*.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Cut **broccoli** into bite-size pieces. Halve, peel, and finely chop **shallot**. Peel and thinly slice **garlic**. Zest **half the lemon** (**whole lemon for 4 servings**). Quarter lemon.

2.

Once water is boiling, reduce heat to medium (**water should be at a low simmer**); add **broccoli** to pot. Cook until broccoli is bright green and just tender, 2–3 minutes. Using a slotted spoon, transfer broccoli to a medium bowl (**leave water in the pot; it's OK if some broccoli bits remain**).

3.

Increase heat under pot to high. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (**1 cup for 4 servings**), then drain.

4.

While pasta cooks, open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken, **shallot**, and **garlic**; season with **salt** and **pepper**. Cook, stirring occasionally, until chicken is browned and cooked through, and shallot has softened, 4–6 minutes. Add **garlic powder** and cook, stirring, until fragrant, 30–60 seconds more. Reduce heat to low; add **cream sauce base**, **stock concentrate**, **cream cheese**, and a **pinch of lemon zest**. Stir until well combined, then remove from heat. Taste and season with **salt** and **pepper**.

5.

Stir **drained pasta**, **broccoli** (**draining any excess water first**), and a **squeeze of lemon juice** into pan with **sauce**, adding **splashes of reserved pasta cooking water** as needed, until everything is coated in a creamy sauce.

6.

Divide **pasta** between bowls. Top with **Parmesan** and a **pinch of chili flakes** from your pantry if desired. Serve with any **remaining lemon wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
