In Step 3, you'll pound your chicken breasts nice and thin between two pieces of plastic wrap (*psst*—you can also use a big zip-close bag!). Think of this process as your weeknight stress reliever and—more importantly—your ticket to fast, even cooking and crispy edges! That's a win-win-win.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position ([middle and top positions for 4 servings](#)) and preheat oven to 425 degrees. **Wash and dry produce.** Trim and halve **zucchini** lengthwise; cut crosswise into ½-inch-thick half-moons. Trim **green beans** if necessary. Halve, peel, and finely chop **half the shallot** ([whole shallot for 4](#)). Finely chop **parsley**.

2.

Toss **zucchini** on one side of a baking sheet with a **drizzle of oil, salt, and pepper** ([for 4 servings, spread zucchini out across entire sheet](#)). Roast on middle rack for 3 minutes. Once zucchini has roasted 3 minutes, remove from oven. Carefully toss **green beans** and **almonds** on empty side of sheet with a **drizzle of oil, salt, and pepper**. ([For 4, leave zucchini roasting; toss green beans and almonds on a separate sheet and roast on top rack.](#)) Roast until zucchini and green beans are browned and tender, 12–15 minutes more.

3.

Place **¼ cup flour** ([½ cup for 4 servings](#)) in a shallow dish; season with **salt** and **pepper**. Pat **chicken** dry with paper towels. Place between 2 large pieces of plastic wrap; pound with a mallet or heavy-bottomed pan until about ⅓ inch thick. Season all over with **salt** and **pepper**. Working one piece at a time, press chicken into **seasoned flour** until fully coated; gently shake off excess. Heat **2 TBSP oil** in a large pan over medium-high heat. Add chicken; cook until golden brown and cooked through, 3–4 minutes per side. ([For 4, you may need to work in batches; add 2 TBSP oil for each batch.](#)) Turn off heat; transfer chicken to a paper-towel-lined plate. Wash out pan.

4.

Heat a **drizzle of oil** in same pan over medium heat. Add **shallot**; cook, stirring, until softened, 3–4 minutes. Reduce heat to low. Whisk in **stock concentrate, mustard, jam, and ¼ cup water** ([½ cup for 4 servings](#)) until combined. Bring to a simmer; cook until sauce is glossy and reduced, 1–2 minutes. Taste and season with **salt** and **pepper**.

5.

Add **chicken** to pan with **sauce** and turn to coat. Transfer chicken to a cutting board; thinly slice crosswise. Divide chicken and **roasted veggies** between plates. Spoon any remaining sauce over chicken and garnish with **chopped parsley**.

*Poultry is fully cooked when internal temperature reaches 165°.
