Once the first side is golden, slide your spatula underneath the quesadilla and secure the top with your hand. Then flip in one fell swoop to keep the filling inside where it belongs!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Roughly chop **artichokes**. Grate **Parmesan** over a small bowl (skip this step if pre-shredded).

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and season with **garlic powder, salt, and pepper**. Cook, stirring occasionally, until chicken is browned and nearly cooked through, 4–5 minutes (it'll finish cooking in the next step).

3.

Meanwhile, combine **cream cheese, artichokes, Parmesan, and mozzarella** in a medium bowl. Once chicken has cooked 4–5 minutes, add **spinach** to pan with **chicken**; cook, stirring, until spinach has wilted and chicken is cooked through, 1–2 minutes. Turn off heat; transfer **chicken mixture** to bowl with **cheesy artichoke mixture**. Stir until well combined. Wipe out pan.

4.

Place **tortillas** on a clean work surface. Spread an even layer of **cheesy chicken, spinach, and artichoke mixture** over one half of each tortilla. Fold tortillas in half over filling to create **quesadillas**.

5.

Heat a **drizzle of oil** in pan used for chicken over medium heat. Add **quesadillas** (you may need to work in batches); cook until tortillas are golden brown and cheese melts, 2–4 minutes per side.

6.

Transfer **quesadillas** to a cutting board, cut into wedges, and divide between plates. Serve with **marinara** on the side for dipping.

*Poultry is fully cooked when internal temperature reaches 165°.
