Ranch Steak 🍖
(10 oz | 20 oz)
Calories: 550

WHAT YOU'LL NEED

**Kosher Salt
Black Pepper**

Butter
Contains: Milk

Cooking Oil

Why are we always telling you to pat your chicken dry? Well, since you asked, drying chicken with paper towels ensures even browning rather than steaming. Crispy, caramelized edges = major flavor!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**.

2.

Toss **potatoes** on a baking sheet with a **large drizzle of oil**, **half the Italian Seasoning** (you'll use the rest later), **salt**, and **pepper**. Roast until browned and tender, 20–25 minutes.

3.

While potatoes roast, heat a **drizzle of oil** in a large pan over medium-high heat. Add **broccoli** and season with **salt** and **pepper**. Cook, stirring often, until browned and tender, 4–7 minutes. Transfer to a plate. Cover to keep warm.

4.

Pat **chicken** dry with paper towels and season all over with **remaining Italian Seasoning**, **salt**, and **pepper**. Heat a **drizzle of oil** in pan used for broccoli over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side (lower the heat if chicken begins to brown too quickly). Turn off heat; transfer chicken to a cutting board to rest for 5 minutes. Wash out pan.

↔ Swap in **steak** for chicken. Cook steak to desired doneness, 3–5 minutes per side.

5.

Heat a **drizzle of oil** in same pan over medium heat. Add **scallion whites** and **garlic**; cook, stirring, until fragrant, 30 seconds. Stir in **stock concentrate** and **2 TBSP water** (3 TBSP for 4 servings). Remove pan from heat to cool slightly, then stir in **sour cream**, **mustard**, and **1 TBSP butter** (2 TBSP for 4) until melted and combined. Season with **pepper**. (If sauce seems too thick, stir in another splash of water.)

6.

Thinly slice **chicken** crosswise. Divide chicken, **potatoes**, and **broccoli** between plates. Drizzle chicken with **sauce** and sprinkle with **scallion greens**.

↔ Thinly slice **steak** against the grain.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
