If you added or swapped to an ingredient listed here, scan the QR code for **CustomPlate** instructions to get all the info you'll need.

Italian Pork Sausage *
(6 oz | 12 oz)
Calories: 490

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Cooking Oil

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.EveryPlate.com/referral)

\$20

Be sure to scrape the bottom of the pan with a wooden spoon or spatula when cooking your onion in Step 3! Those brown bits (*fond*, in chef speak) left from browning the sausage will give your soup a huge flavor boost.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and dice **onion** into ½-inch pieces. Core, deseed, and dice **bell pepper** into ½-inch pieces. Peel and finely chop **garlic**.

2.

Heat a **drizzle of oil** in a medium pot over medium-high heat. Add **sausage** and cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes; transfer to a plate.

Remove casing from **pork sausage** if necessary; discard casing. Swap in pork sausage for chicken sausage.

3.

Heat a **drizzle of oil** in pot used for sausage over medium-high heat. Add **onion** and cook, stirring frequently and scraping up any browned bits from bottom of pot, until translucent, 2–3 minutes. Add **bell pepper**, **garlic**, **Italian Seasoning**, and a **pinch of salt**. Cook, stirring occasionally, until bell pepper is just beginning to soften and garlic is fragrant, 1 minute. (If you've got some on hand, stir in a pinch of chili flakes if you like things spicy.)

4.

Add **tomato paste** to pot with **veggies**; cook, stirring, until everything is coated, 1 minute. Add **2½ cups water** (4½ cups for 4 servings) and **stock concentrates**; stir to combine. Stir in **cooked sausage** and **couscous**; bring to a boil. Reduce heat to medium low and cook, stirring occasionally, until couscous is tender, 6–8 minutes. Stir in **cream cheese** until smooth and combined. Taste and season with **salt** and **pepper**.

5.

Divide **soup** between bowls and grate as much **Parmesan** on top as you like (sprinkle if pre-shredded).

*Ground Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
