MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer to a paper-towel-lined plate. Wipe out pan. Once bacon is cool enough to handle, finely chop.

2.

Once water is boiling, add **pasta** to pot and reduce heat to low. Cook, stirring occasionally, until tender and floating to the top, 3–4 minutes. Reserve **½ cup pasta cooking water** (1 cup for 4 servings), then drain and set aside.

3.

While pasta cooks, zest and quarter **lemon**.

4.

Melt **1 TBSP butter** (2 TBSP for 4 servings) in pan used for bacon over medium-high heat. Add **chopped bacon** and **Italian Seasoning**. Cook, stirring frequently, until seasoning is fragrant, 30 seconds. Add **cream sauce base** and **drained pasta**; cook, stirring, until pasta is coated in sauce. (If sauce seems too thick, stir in reserved pasta cooking water a splash at a time until pasta is coated in a creamy sauce.) Turn off heat; stir in a **squeeze of lemon juice** (big squeeze for 4). Taste and season with **salt** and **pepper**.

5.

Divide **pasta** between shallow bowls. Sprinkle with as much **lemon zest** as you like. Serve with **remaining lemon wedges** on the side.
