When forming your patties in Step 3, be gentle and avoid overworking the meat. Using a light touch while flattening and shaping them will make for juicy, tender results!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Thinly slice **tomato** into rounds.

2.

In a small bowl, combine **half the pesto** (you'll use the rest later) with **2 TBSP mayonnaise** (4 TBSP for 4 servings). Halve and toast **buns**.

3.

Form **beef** into two ½-inch-thick patties (four patties for 4 servings), each slightly wider than a burger bun; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add **patties** and cook to desired doneness, 3–5 minutes per side.

4.

While patties cook, melt **1 TBSP butter** (2 TBSP for 4 servings) in a second large pan over medium-high heat. Add **potatoes** and season with **salt** and **pepper**. Cook, undisturbed, until potatoes are warmed through and crispy on one side, 3–5 minutes. Stir, scraping up any crispy bits on bottom of pan. (If potatoes begin to stick to the pan, add a splash of water.) Turn off heat. Stir in remaining pesto.

5.

Divide **toasted buns** between plates; spread cut sides of buns with as much **pesto aioli** as you like. Fill buns with **patties** and top with **tomato slices**. Serve **burgers** with **crispy potatoes** and any remaining pesto aioli on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
