If you always seem to “squish” tomatoes when slicing them, we’ve got a pro tip for you: Use a knife with a serrated edge! Those sharp teeth will sink through the tomato’s tough skin quickly and smoothly.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and discard root end from **lettuce**; chop leaves into bite-size pieces. Dice **tomato**. Trim and dice **cucumber** into ¼-inch pieces.

2.

Pat **chicken** dry with paper towels. Season all over with **garlic powder**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side. Transfer to a cutting board.

3.

While chicken cooks, in a large bowl, combine **vinaigrette**, **sour cream**, **half the cheese**, and **1 TBSP olive oil** (2 TBSP for 4 servings).

4.

To bowl with **creamy vinaigrette**, add **lettuce**, **tomato**, and **cucumber**; toss until well coated. Taste and season with **salt** and **pepper**.

5.

Slice **chicken** crosswise. Divide **salad** between bowls and top with chicken. Garnish with **remaining cheese**.

**Poultry is fully cooked when internal temperature reaches 165°.*
