MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, peel, and dice **onion**. Peel and finely chop **garlic**. Trim and peel **carrot**; grate on the largest holes of a box grater. Grate **Parmesan** over a small bowl (**skip this step if pre-shredded**).

➡ Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pan. Once cool enough to handle, roughly chop.

3.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion, garlic, salt** and **pepper**; cook until slightly softened, 2–3 minutes. Open package of **chicken** and drain off any excess liquid. Add chicken, **carrot, salt,** and **pepper** to pan; cook until chicken is browned and cooked through, 4–6 minutes more. Add **1 TBSP flour** and **1 TBSP butter** (**2 TBSP flour and 2 TBSP butter for 4 servings**); stir until well combined.

➡ Use pan used for bacon here.

5.

Stir **2 TBSP butter** (**4 TBSP for 4 servings**) into the pot. Divide **chicken pot pie pasta** between bowls and garnish with **remaining Parmesan**.

➡ Top pasta with **chopped bacon**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water**, then drain.

4.

Reduce heat to low; stir in **peas, thyme, cream sauce base, stock concentrates,** and **½ cup milk** (**1 cup for 4 servings**). Cook, stirring occasionally, until thickened, 2–3 minutes. Season with **salt** and **pepper**. Stir in **drained pasta** and **half the Parmesan**, adding **splashes of reserved pasta cooking water** as needed. Taste and season with **salt** and **pepper**.
