When we say add lime zest “to taste” in Step 3, we mean it! If you’re not a huge fan, start with a little, then taste and determine if you want more. You’re the chef, after all!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Zest and quarter **lime**. Halve, peel, and thinly slice **onion**. Core, deseed, and thinly slice **green pepper**. Trim and discard root end from **lettuce**; separate leaves.

2.

In a medium bowl, combine **garlic**, **stock concentrate**, **soy sauce**, **cumin**, **chili powder**, **juice from half the lime** (**whole lime for 4 servings**), and $\frac{3}{4}$ tsp **sugar** (**1½ tsp for 4**). Season generously with **salt** and **pepper**.

3.

In a small bowl, combine **sour cream** with **lime zest** to taste. Stir in **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt** and **pepper**.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion** and **green pepper**; season with **salt** and **pepper**. Cook, stirring occasionally, until lightly browned and tender, 4–5 minutes. Turn off heat; transfer to a plate and cover to keep warm. Wipe out pan.

5.

Heat a **drizzle of oil** in pan used for veggies over medium heat. Add **beef** and cook, breaking up meat into pieces, until cooked through, 4–6 minutes. Add **cumin soy sauce mixture**; stir until beef is coated and saucy, 1–2 minutes more.

 Open package of **chicken** and drain off any excess liquid. Swap in chicken or **pork** for beef (no need to break up chicken into pieces!).

6.

Divide **lettuce leaves** between plates; fill with **beef mixture** and top with **green pepper** and **onion**. Drizzle with **lime crema**. Serve any **remaining lime wedges** on the side. (**Alternatively, serve beef mixture, fajita veggies, and crema in separate bowls and let everyone assemble their own wraps!**)

*Ground Meat is fully cooked when internal temperature reaches 160°.
