Ground Beef 🍖
(10 oz | 20 oz)
Calories: 1310

Shrimp 🍤
(10 oz | 20 oz)
Contains: Shellfish
Calories: 1050

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Mayonnaise
Contains: Eggs

Cooking Oil

Sugar

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

In Step 4, we instruct you to cook your rice undisturbed. Why? Direct contact with the hot pan helps the grains crisp up and develop a toasty flavor for the tastiest fried rice.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to use in Step 4.

2.

While rice cooks, drain **corn**. Halve, peel, and finely dice **onion**. Core, deseed, and dice **bell pepper** into ¼-inch pieces. Peel and finely chop or grate **ginger**. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens. In a medium bowl, combine **cheese**, half the corn, **4 TBSP mayonnaise**, and **½ tsp sugar** (**8 TBSP mayonnaise and 1 tsp sugar for 4 servings**). Mix well until thoroughly combined.

↔ Rinse **shrimp** under cold water and pat dry with paper towels. Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium–high heat. Add shrimp or **beef**; season with **salt** and **pepper**. Cook, stirring frequently, until cooked through, 3–4 minutes for shrimp or 4–5 minutes for beef. Turn off heat; transfer shrimp or beef to a plate. Wipe out pan.

3.

Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium–high heat. Add **onion**, **bell pepper**, and **remaining corn**. Season with **salt** and **pepper**. Cook, stirring occasionally, until softened, 3–4 minutes. Add **ginger**, **garlic**, **scallion whites**, and **stock concentrate**. Cook, stirring, until fragrant and everything is coated, 1–2 minutes more. Turn off heat; transfer to a second medium bowl. Wipe out pan.

↔ Use pan used for shrimp or beef here.

4.

Heat a **drizzle of oil** in pan used for veggies over medium–high heat. Fluff **rice** with a fork. Add rice in a single layer; cook, undisturbed, until a crust forms on the bottom, 2–3 minutes. Add **veggie mixture**, **peas**, **soy sauce**, and **½ tsp sugar** (**1 tsp for 4 servings**); stir to combine. Cook, stirring, until veggies are coated, 2–3 minutes more. Taste and season with **salt** and **pepper**.

↔ Add **shrimp** or **beef** to pan along with **veggie mixture**.

5.

Reduce heat to low; move **veggie fried rice** to center of pan, leaving a 1-inch gap around edge of pan. Add **cheesy corn mixture** to gap around edge of pan; cover with a lid. Cook, undisturbed, until cheese melts, 2–3 minutes.

*Shellfish is fully cooked when internal temperature reaches 145°.
*Ground Meat is fully cooked when internal temperature reaches 160°.

6.

Once cheese melts, garnish **fried rice** with **scallion greens** and as many **chili flakes** as you like. Serve family style directly from pan or divide between bowls.
