MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Grate **Parmesan** (skip this step if pre-shredded).

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 4 servings), then drain.

3.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **sausage** and cook, breaking up meat into pieces, until beginning to brown, 3–4 minutes. Stir in **broccoli** and cook, stirring occasionally, until sausage is cooked through and broccoli begins to soften, 2–3 minutes more.

4.

Stir in **Italian Seasoning** and **garlic powder**. Reduce heat to medium low; stir in **cream sauce base**, **cream cheese**, **stock concentrates**, **mozzarella**, **three-quarters of the grated Parmesan** (save the rest for serving!), and **¼ cup reserved pasta cooking water** (½ cup for 4 servings). Cook, stirring occasionally, until broccoli is tender, 2–3 minutes.

5.

Add **drained pasta** to pan with **sauce**; toss to coat, adding **splashes of reserved pasta cooking water** as needed until everything is coated in a creamy sauce. Divide **pasta** between bowls and top with **remaining grated Parmesan**.

*Ground Poultry is fully cooked when internal temperature reaches 165°.
