MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 4 servings), then drain.

2.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **pulled pork** and **BBQ Seasoning**. Cook, breaking up meat into pieces, until pork is warmed through, 2–3 minutes.

3.

Reduce heat under pan with **pulled pork** to low. Add **cream sauce base**, **cream cheese**, **cheddar**, and **¼ cup reserved pasta cooking water** (½ cup for 4 servings); stir until smooth and combined.

4.

Add **drained pasta** to pulled pork and add **1 TBSP butter** (2 TBSP for 4); toss until everything is coated in a creamy sauce (if pasta seems dry, add more reserved pasta cooking water a splash at a time until desired consistency is reached).

5.

Divide **mac 'n' cheese** between bowls and drizzle with **BBQ sauce**. Garnish with **crispy fried onions**.
