MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 350 degrees. **Wash and dry produce.** Open package of **biscuits** and place them in **one oven-ready tray** (divide between two trays for 4 servings).

2.

Place **pulled pork** in **remaining oven-ready tray** and break up into bite-size pieces. Add **coleslaw mix**, **mustard**, **paprika**, **chili powder**, **stock concentrate**, half the **cumin**, **2 TBSP brown sugar**, and **1/4 tsp chipotle powder**. (For 4 servings, divide ingredients between two remaining trays; use half the cumin, 2 TBSP brown sugar, and 1/4 tsp chipotle powder in each tray.) Stir to combine. (Be sure to measure the chipotle powder—we sent more!)

3.

Place **trays** on a baking sheet and bake on middle rack (be sure your oven has preheated!) until **biscuits** are browned and cooked through and **pork mixture** is warmed through and bubbling, 13–16 minutes.

4.

Meanwhile, place **honey** and **2 TBSP butter** (4 TBSP for 4 servings) in a small microwave-safe bowl. Microwave until butter has melted, 30–60 seconds; stir to combine.

5.

Once biscuits and pork have baked 13–16 minutes, remove baking sheet from oven and remove **tray with biscuits** from sheet. Drizzle **pork** with **BBQ sauce**, then sprinkle with **cheese**. Return to middle rack and bake until cheese melts, 2–3 minutes more. Meanwhile, brush **biscuits** with **honey butter**.

6.

Divide **pork** and **biscuits** between plates or serve family style directly from trays.
