If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and dice **onion**. Peel and finely chop **garlic**. Break up **half the pasta** (all for 4 servings) into 2-inch pieces. Grate **Parmesan** over a small bowl (skip this step if pre-shredded).

2.

Remove **sausage** from casing if necessary; discard casing. Heat **1 TBSP butter** (2 TBSP for 4 servings) in a large pot over medium-high heat. Add **onion** and **garlic**; cook, stirring occasionally, until slightly softened. Add sausage and cook, breaking up meat into pieces, until sausage is browned and cooked through, 4–6 minutes.

 Swap in **chicken sausage** for pork sausage.

3.

Add **Italian Seasoning** and cook, stirring, until fragrant, 30 seconds. Add **crushed tomatoes** and cook, stirring occasionally, until slightly reduced, 3–5 minutes more.

4.

Add **stock concentrates**, **1½ cups water**, and **1½ cups milk** and bring to a boil (use 3 cups water and 3 cups milk for 4 servings). Once boiling, add **pasta** and reduce to a simmer. Cook, stirring frequently, until pasta is al dente, 11–13 minutes. Taste and season with **salt** and **pepper**.

5.

Remove from heat. Stir in **cream cheese** until fully incorporated.

6.

Divide **soup** between bowls and top with as much **Parmesan** as you like.
