When mashing your potatoes in Step 2, try not to overwork them. Starchy potatoes tend to become gummy and clumpy when that starch is mixed around too much. Use a gentle touch and you too can make super-smooth, fluffy mashed potatoes.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Drain **corn** and pat very dry with paper towels. Trim and thinly slice **scallions**, separating whites from greens.

3.

While potatoes cook, pat **chicken** dry with paper towels. Rub all over with a **drizzle of oil**; season with **salt** and **pepper**. Transfer chicken to a baking sheet and roast on top rack until browned and cooked through, 15–20 minutes. Transfer to a cutting board. Once cool enough to handle, dice into bite-size pieces. Meanwhile, add **bacon** to a medium dry pan (**large pan for 4 servings**) in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. (**Lower heat if bacon begins to brown too quickly!**) Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pan. Once cool enough to handle, roughly chop.

5.

Melt **2 TBSP butter** (**4 TBSP for 4 servings**) in pan used for corn over medium heat. Add **scallion whites** and cook, stirring, until softened, 1–2 minutes. Sprinkle **2 TBSP flour** (**4 TBSP for 4**) over scallion whites and cook, stirring frequently, until flour is lightly browned, 30–60 seconds. Slowly whisk in **1 cup water** (**2 cups for 4**) and **stock concentrates** until smooth. Bring to a simmer and cook, whisking frequently, until thickened, 3–4 minutes. Taste and season with **salt** and **pepper** if desired. (**For thinner gravy, add a splash of water.**)

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.

2.

Place **potatoes** in a medium pot with enough **salted water** to **cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Drain and return potatoes to pot. Mash with **½ cup milk** and **2 TBSP butter** until smooth and creamy (**1 cup milk and 4 TBSP butter for 4 servings**). Taste and season generously with **salt** and **pepper**. Keep covered off heat until ready to serve.

4.

Heat a **drizzle of oil** in pan used for bacon over high heat. Add **corn** and cook, stirring occasionally, until lightly charred in spots, 4–6 minutes. Taste and season with **salt** and **pepper**. Turn off heat; transfer to a small bowl. Wipe out pan.

6.

Serve **mashed potatoes, bacon, chicken, corn, gravy, scallion greens, sour cream, and cheese** family style for everyone to build their own mashed potato bowls.
