MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Core, deseed, and dice **green pepper** into ½-inch pieces. Heat a **drizzle of oil** in a large pan over medium-high heat. Add green pepper and cook, stirring, until softened, 4–6 minutes. Season with **salt** and **pepper**. Turn off heat; transfer to a plate.

2.

Meanwhile, reserve **½ tsp Southwest Spice Blend** (**1 tsp for 4 servings**) in a small bowl for the next step. Open package of **chicken** and drain off any excess liquid. Place chicken in a medium bowl; season with remaining Southwest Spice Blend, **salt** (**we used ¾ tsp; 1½ tsp for 4**), and **pepper**. Heat a **drizzle of oil** in pan used for green pepper over medium-high heat. Add chicken in a single layer; cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to plate with green pepper. Wipe out pan.

Swap in **beef** for chicken; cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes.

3.

While chicken cooks, add **sour cream** and **1 tsp water** (**2 tsp for 4 servings**) to bowl with **reserved Southwest Spice Blend**. Stir until thoroughly combined. Season with **salt** and **pepper**.

4.

Place **tortillas** on a clean work surface or cutting board. Evenly sprinkle **half of each cheese** over **half of each tortilla**. Top with **chicken** and **green pepper**, then sprinkle with **remaining cheese**. Fold tortillas in half to create **quesadillas**.

5.

Heat a **drizzle of oil** in pan used for chicken over medium heat. Add **quesadillas** and cook until tortillas are golden brown and cheese melts, 3–5 minutes per side. (**Depending on the size of your pan, you may need to work in batches.**) Cut quesadillas into three wedges each. Divide between plates and serve with **crema** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.

One-Pan Chicken & Pepper Quesadillas
