MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Halve, peel, and finely dice **onion**.

2.

In a small pot, combine **stock concentrates**, **1½ cups water**, and **2 tsp Tex-Mex paste** over medium-high heat (**3 cups water and 4 tsp Tex-Mex paste for 4 servings**); bring to a gentle simmer. Meanwhile, in a small bowl, combine **¼ cup water** and **2 tsp cornstarch** until smooth (**½ cup water and 4 tsp cornstarch for 4**). Once broth is simmering, stir in **cornstarch mixture**. Cook, stirring occasionally, until slightly thickened, 5 minutes. Keep covered off heat until ready to use.

3.

While broth cooks, heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add **scallion whites** and **half the onion**; cook, stirring occasionally, until veggies are translucent, 3–5 minutes. Add **pulled pork** and **remaining Tex-Mex paste**; cook, breaking up meat into pieces, until pork is browned and warmed through, 2–3 minutes more. Turn off heat; transfer to a medium bowl. Wash out pan.

Open package of **chicken** and drain off any excess liquid. Swap in chicken or **beef** for pulled pork. Cook, stirring frequently, until browned and cooked through, 4–6 minutes for chicken or 4–5 minutes for beef.

4.

To bowl with **pork mixture** add **¼ cup Tex-Mex broth** (**½ cup for 4 servings**); stir to combine. Place **tortillas** on a clean work surface. Sprinkle bottom half of each tortilla with **half the cheese**, then top with pork mixture and remaining cheese. Fold in half to create **tacos**.

5.

Melt **1 TBSP butter** in pan used for pork over medium heat. Add **tacos** and cook until tortillas are golden brown and cheese melts, 1–2 minutes per side. (**You may need to work in batches, adding more butter between batches and reducing heat if browning too quickly.**)

6.

Stir as much **remaining onion** into **remaining Tex-Mex broth** as desired (**if broth has cooled, return pot to medium heat until it comes to a gentle simmer**). Divide broth between small serving bowls. Divide **tacos** between plates; garnish with **scallion greens**. Serve with Tex-Mex broth on the side for dipping.

*Ground Meat is fully cooked when internal temperature reaches 160°.
*Poultry is fully cooked when internal temperature reaches 165°.
