(10 oz | 20 oz)
Calories: 590

Shrimp 🍤
(10 oz | 20 oz)
Contains: Shellfish
Calories: 530

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Cooking Oil

You may notice that we almost always ask you to reserve a bit of noodle cooking water. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help make your sauce silky smooth. Basically, it makes good noodles great, and we'll never leave you with a bowlful of just *good*.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **mushrooms** (skip if your mushrooms are pre-sliced!). Zest and quarter **lime**.

2.

Once water is boiling, add **noodles** to pot. Cook, stirring occasionally, until al dente, 5–7 minutes. Reserve **½ cup noodle cooking water** (1 cup for 4 servings), then drain and set aside.

Rinse **shrimp** under cold water. Pat shrimp or **steak** dry with paper towels. Heat a **drizzle of oil** in a large pan over medium–high heat. Add shrimp or steak; cook shrimp, stirring occasionally, until opaque and cooked through, 3–4 minutes, or cook steak to desired doneness, 3–5 minutes per side. Turn off heat; transfer shrimp to a plate or steak to a cutting board. Wipe out pan.

3.

While noodles cook, heat a large dry pan over medium–high heat. Add **sesame seeds** and toast, stirring frequently, until fragrant and just beginning to brown, 2–3 minutes. Transfer to a plate.

Use pan used for shrimp or steak here.

4.

Heat a **drizzle of oil** in pan used for sesame seeds over medium heat. Add **mushrooms**; season with **salt** and **pepper**. Cook, stirring occasionally, until beginning to soften, 2–3 minutes. Add **bok choy** and **napa cabbage** and cook until veggies are browned and tender, 2–3 minutes more.

5.

Reduce heat to medium low and add **drained noodles**, **stock concentrate**, **sweet Thai heat sauce**, and **garlic powder**. Toss to combine, adding **splashes of reserved noodle cooking water** as needed, until everything is coated in sauce. Add a **squeeze of lime juice** and a **pinch of lime zest**. Taste and season with **salt** and **pepper**.

Thinly slice **steak** against the grain. Add **shrimp** or steak to pan along with **drained noodles**.

6.

Divide **lo mein** between bowls; top with **toasted sesame seeds**. Serve with **remaining lime wedges**.

*Beef is fully cooked when internal temperature reaches 145°.
*Shellfish is fully cooked when internal temperature reaches 145°.
