\$20

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. Bring **1 TBSP butter** (2 TBSP for 4 servings) to room temperature. **Wash and dry produce.** Dice **tomato** into ½-inch pieces. Peel and finely chop **garlic**.

3.

Remove **sausage** from casing if necessary; discard casing. Heat a **drizzle of oil** in a large pan over medium-high heat. Add sausage, **tomato**, **half the garlic**, **2 tsp Italian Seasoning** (4 tsp for 4 servings; you'll use more later), **salt**, and **pepper**. Cook, breaking up meat into pieces, until sausage is browned and cooked through, 4–5 minutes.

➡ Open package of **chopped chicken breast** and drain off any excess liquid. Swap in chopped chicken breast or **chicken sausage** for pork sausage. Cook, stirring frequently, until browned and cooked through, 4–6 minutes.

5.

In a small bowl, combine **softened butter**, **remaining garlic**, **½ tsp Italian Seasoning** (1 tsp for 4 servings), **salt**, and **pepper**. Halve **ciabatta**; spread cut sides with **garlic butter** and place, cut sides up, on a baking sheet. Toast on top rack until golden brown, 3–5 minutes. Halve **garlic bread** on a diagonal.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water**, then drain.

4.

Add **1 TBSP butter** (2 TBSP for 4 servings) and **2 tsp flour** (4 tsp for 4) to same pan; cook, stirring, until mixture is combined and butter has melted, 1–2 minutes. Reduce heat to medium and add **cream cheese**, **stock concentrate**, **cream sauce base**, **¼ cup reserved pasta cooking water** (½ cup for 4), **salt**, and **pepper**. Cook, stirring, until slightly thickened, 1–2 minutes more. (If you like things spicy, add a pinch of **chili flakes** from your pantry if desired.) Add **drained pasta** to pan with **sauce**; toss until thoroughly coated. (If sauce is too thick, add **splashes of reserved pasta cooking water** as needed.) Taste and season with **salt**.

6.

Divide **pasta** between bowls. Serve with **garlic bread** on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
*Ground Poultry is fully cooked when internal temperature reaches 165°.
*Poultry is fully cooked when internal temperature reaches 165°.
