\$20

In Step 1, make sure to slice your onion as thinly as possible. The thinner your slices, the sweeter and more tender your caramelized onion will be. Pro tip: Break out your sharpest knife (it really helps!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens. Halve, peel, and thinly slice **onion**.

3.

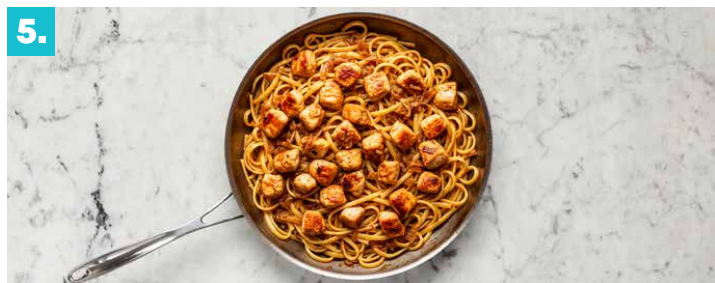

While pasta cooks, in a medium bowl, combine **garlic**, **scallion whites**, **sesame seeds**, **crispy fried onions**, **half the chili flakes**, and **4 TBSP oil (8 TBSP for 4 servings)**. Season with **salt** and **pepper**. Transfer **chili crisp** to a large pan; heat over medium-high heat. Once sizzling, cook, stirring, until garlic has browned and mixture is fragrant, 2–3 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

↔ Rinse **shrimp** under cold water and pat dry with paper towels. Heat a **drizzle of oil** in a large pan over medium-high heat. Add shrimp and season with **salt** and **pepper**. Cook, stirring, until opaque and cooked through, 3–4 minutes. Transfer to a plate; wipe out pan.

↔ Swap in **beef** for chicken. Heat a **drizzle of oil** in a large pan over medium-high heat. Add beef and season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes. Transfer to a plate; wipe out pan.

5.

To pan with **caramelized onion**, add **cream sauce base**, **stock concentrates**, **remaining chili flakes**, **¼ cup milk (½ cup for 4 servings)**, and as much **chili crisp** as you like. Season with **salt** and **pepper**. Bring to a simmer and cook, stirring occasionally, until slightly thickened, 1–2 minutes. Add **drained pasta** and **chicken** and toss to coat, adding **splashes of reserved pasta cooking water** as needed until pasta is coated in a creamy sauce.

↔ Add **beef** or **half the shrimp** along with **drained pasta**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.
*Ground Meat is fully cooked when internal temperature reaches 160°.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water (2 cups for 4 servings)**, then drain.

4.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in pan used for chili crisp over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Transfer to a plate. Wipe out pan. Heat a **drizzle of oil** in pan used for chicken over medium heat. Add **onion** and a **pinch of salt and pepper**. Cook, stirring occasionally, until softened and browned, 8–10 minutes. Add **¼ cup water** and **1 tsp sugar (½ cup water and 2 tsp sugar for 4 servings)**. Cook, stirring occasionally, until caramelized and jammy, 2–3 minutes more.

↔ Use pan used for **shrimp** or **beef** here.

6.

Divide **pasta** between bowls. Top with **scallion greens** and as much **remaining chili crisp** as you like.

↔ Top **pasta** with remaining **shrimp**.
