MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position (**top and middle positions for 4 servings**) and preheat oven to 425 degrees. Place **flatbreads** on a **lightly oiled** baking sheet. Toast on top rack until slightly crisp, 5–7 minutes. (**For 4, divide flatbreads between two sheets; toast on top and middle racks, swapping rack positions halfway through.**)

Adjust racks to top and middle positions. Place **bacon** on a separate baking sheet in a single layer. Roast on middle rack until crispy, 15–20 minutes. (Check often to avoid burning!) Transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

2.

Meanwhile, open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and **Frank's Seasoning Blend**; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Transfer to a medium bowl.

3.

Add **Buffalo sauce** to bowl with **chicken**; stir until combined.

4.

Evenly top **toasted flatbreads** with **Buffalo chicken**; sprinkle with **cheese**. Return to top rack (**top and middle racks for 4 servings**) and bake until cheese melts, 2–3 minutes.

5.

Drizzle **flatbreads** with **dressing**. Quarter and divide between plates.

Top **flatbreads** with **chopped bacon**.
