Want to nail the perfect pot of rice? Once your water boils in Step 2, immediately cover the pot with a tight-fitting lid and reduce the heat to the lowest setting. Let it simmer until no water remains (resisting the urge to peek!). Finally, let the pot sit off heat for a few minutes while you cook the rest of the meal. This crucial step allows the moisture to redistribute, giving you tender, fluffy grains every time.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Peel and finely chop **garlic**. Peel and finely chop **ginger** until you have 1 TBSP (2 TBSP for 4 servings).

2.

Melt 1 TBSP **butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add **garlic** and **chopped ginger**; cook until fragrant, 1 minute. Add **rice** and stir to coat. Stir in 1 1/4 cups **water** (2 1/4 cups for 4) and a **big pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

While rice cooks, trim, peel, and cut **carrot** on a diagonal into 1/4-inch-thick pieces. Trim and halve **zucchini** lengthwise; cut crosswise into 3/4-inch-thick half-moons. Quarter **lime**. Toss carrot and zucchini on one side of a baking sheet with a **drizzle of oil, salt, and pepper**. (For 4 servings, spread veggies out across entire sheet.) Roast for 10 minutes (you'll add the salmon then).

4.

Meanwhile, in a small bowl, combine **sweet soy glaze** with a **squeeze of lime juice** to taste. Pat **salmon** dry with paper towels and season with **salt** and **pepper**. Drizzle with **oil** and rub to coat all over.

5.

Once **veggies** have roasted 10 minutes, remove sheet from oven. Add a **drizzle of oil** to empty side and carefully add **salmon**, skin sides down. (For 4 servings, leave veggies roasting and add salmon to a second baking sheet.) Return to oven until salmon is cooked through and veggies are browned and tender, 10–12 minutes. In the last 2–3 minutes of roasting, spoon **half the glaze** over salmon (save the rest for serving). Return to oven until glaze is slightly tacky.

6.

Fluff **rice** with a fork; season with **salt** and **pepper**. Divide rice, **salmon**, and **veggies** between plates. Drizzle salmon with **remaining glaze** and sprinkle with as many **sesame seeds** as you like. Serve with **remaining lime wedges** on the side.

*Fish is fully cooked when internal temperature reaches 145°.
