\$20

Is your Dijonnaise in need of a little more spicy kick? Stir in a pinch (or two) of the remaining chipotle powder to create a smoky chipotle Dijonnaise that's sure to turn up the heat just the way you like it.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Halve, peel, and thinly slice **onion**. Trim and discard root end from **lettuce**; separate leaves. Dice **tomato** into ¼-inch pieces.

2.

Heat a **large drizzle of oil** in a large pan over medium-high heat. Add **onion**; season with **salt** and **pepper**. Cook, stirring, until slightly softened and lightly browned, 4–6 minutes.

3.

Add **beef**, **garlic powder**, **2 tsp sugar**, and **¼ tsp chipotle powder** (4 tsp sugar and ½ tsp chipotle powder for 4 servings) to pan with **onion** (add more chipotle powder if you like things spicy). Cook, breaking up meat into pieces, until beef is browned and cooked through, 4–6 minutes. Carefully drain any excess fat from pan if necessary.

4.

While beef cooks, combine **half the mustard** and **2 TBSP mayonnaise** (all the mustard and 4 TBSP mayonnaise for 4 servings) in a small bowl. Season with **salt** and **pepper**.

5.

Divide **lettuce leaves** between plates; fill with **beef mixture**. Top with **tomato** and **crispy fried onions**. Drizzle with **Dijonnaise**.

**Ground Meat is fully cooked when internal temperature reaches 160°.*
