MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a medium pot of **salted water** to a boil. Once water is boiling, add **noodles** to pot; cook, stirring occasionally, until tender, 5–7 minutes. Reserve **½ cup noodle cooking water** (**1 cup for 4 servings**), then drain and thoroughly rinse under cold water, at least 30 seconds. (**This stops the cooking and helps prevent sticky noodles!**) Toss drained noodles with a **drizzle of oil**; set aside. Reserve pot.

2.

Meanwhile, **wash and dry produce**. Pick **cilantro leaves** from stems and roughly tear. In a small bowl, combine **bulgogi sauce**, **stock concentrate**, **ponzu**, **half the vinegar**, and **¼ cup water** (**all the vinegar and ½ cup water for 4 servings**).

3.

Heat a **drizzle of oil** in pot used for noodles over medium-high heat. Add **pulled pork**; season with **garlic powder**, **salt**, and **pepper**. Cook, breaking up meat into pieces, until warmed through, 2–3 minutes. Stir in **carrots** and **edamame**; cook until veggies just begin to soften, 1–2 minutes more.

4.

Stir **bulgogi sauce mixture** into pot with **pork and veggies**. Simmer until sauce is glossy and warmed through, 1–2 minutes. Add **drained noodles**; toss until thoroughly coated in sauce, adding **splashes of reserved noodle cooking water** as needed. **TIP: If you like things spicy, add a pinch of chili flakes from your pantry!**

5.

Divide **bulgogi pulled pork noodles** between bowls and garnish with **cilantro**.
