MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to top position and preheat oven to 425 degrees. Slice **bacon** crosswise into ½-inch pieces. Add bacon to a medium dry pot in a single layer; heat over medium-high heat. Cook, stirring occasionally, until crispy, 6–10 minutes. Turn off heat. Using a slotted spoon, transfer bacon to a paper-towel-lined plate. Wipe out pot.

2.

While bacon cooks, dice **ciabatta** into ½-inch pieces. Grate **Parmesan** (skip this step if pre-shredded).

3.

Toss **ciabatta** on a baking sheet with a drizzle of oil, garlic powder, salt, and pepper. Bake on top rack until golden brown, 3–5 minutes.

4.

Add **creamy tomato soup** to pot used for bacon. Bring to a boil over medium-high heat, stirring occasionally, until heated through, 3–5 minutes.

5.

Divide **soup** between bowls and top with **bacon**, **croutons**, and **Parmesan**.
