Give it a rest! (The cooked pork, that is.) When you let your pork chops sit after cooking (as you will in Step 4), all of their juicy goodness distributes evenly into the meat. The reward? Extra-succulent chops.

**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

**Wash and dry produce.** Drain **mango**, reserving **juice**; roughly chop mango. Trim and thinly slice **scallions**. Zest and quarter **lime**. Peel and finely chop **garlic**.

2.

In a small bowl, whisk together **1 TBSP reserved mango juice**, **1 TBSP brown sugar**, **2 TBSP water**, **¼ tsp chipotle powder** (you'll use more in Step 6), a **pinch of salt**, and **pepper** (use **2 TBSP reserved mango juice**, **2 TBSP brown sugar**, **4 TBSP water**, and **½ tsp chipotle powder** for 4 servings). In a separate small bowl, combine **chopped mango**, **scallions**, a **squeeze of lime juice**, a **pinch of garlic**, **salt**, and **pepper**.

3.

Heat a **drizzle of oil** in a small pot over medium-high heat. Add **remaining garlic** and cook until fragrant, 30–60 seconds. Stir in **rice**, **1 ¼ cups water** (**2 ¼ cups for 4 servings**), and a **pinch of salt**; bring to a boil. Once boiling, cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Fluff **rice** with a fork; stir in a **pinch of lime zest**. Keep covered off heat until ready to serve.

4.

While rice cooks, pat **pork** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork; cook until browned and cooked through, 4–5 minutes per side. Turn off heat; transfer to a cutting board. Wipe out pan.

5.

Heat same pan over medium heat; add **chipotle mixture** and bring to a simmer. Cook until sauce is thickened and reduced by half, 1–2 minutes. Remove from heat; stir in **1 TBSP butter** (**2 TBSP for 4 servings**) until melted. Wipe out bowl used for chipotle mixture.

6.

In same bowl, whisk together **sour cream**, **2 TBSP mayonnaise**, **¼ tsp chipotle powder** (be sure to measure—we sent more!), and a **pinch of salt and pepper** (**4 TBSP mayonnaise** and **½ tsp chipotle powder** for 4 servings). Return **pork** to pan with **chipotle glaze**; turn to coat. Transfer pork to a cutting board and thinly slice crosswise. Divide pork and **rice** between plates. Spoon any remaining glaze over pork and top with **mango salsa**. Serve with **smoky crema** and **remaining lime wedges** on the side.

\*Pork is fully cooked when internal temperature reaches 145°.
