\$20

We keep these wraps open-ended (rather than folded and rolled like a burrito) to help the chicken maintain its crispy-crunchy texture. Don't fret if any filling pokes out—it's all good!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Toss potatoes on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast on middle rack until browned and tender, 20–25 minutes.

2.

Meanwhile, in a large bowl, combine **sour cream, 2 TBSP mayonnaise, 1 TBSP ketchup, 1 tsp hot sauce** (use less if you don't like things spicy), ½ tsp **Blackening Spice**, ¼ tsp **sugar**, and a **pinch of salt and pepper** (for 4 servings, use 4 TBSP mayonnaise, 2 TBSP ketchup, 2 tsp hot sauce, 1 tsp **Blackening Spice**, and ½ tsp **sugar**). (You'll use the rest of the **Blackening Spice** later.) Add **cabbage**; toss to combine. Taste and season with **salt and pepper**.

3.

Place ¾ cup **flour** (1½ cups for 4 servings) in a shallow dish. Crack **one egg** (two eggs for 4) into a second shallow dish; whisk in **2 TBSP water**. Season both dishes generously with **salt and pepper**.

4.

Pat **chicken** dry with paper towels; slice each chicken cutlet lengthwise into 1-inch-thick strips (we ended up with 3–4 strips per chicken cutlet). Season all over with **remaining Blackening Spice, salt, and pepper**. Working one piece at a time, press chicken strips into **flour mixture** until fully coated. Gently shake off excess, then dip both sides into **beaten egg**. Let excess egg drip off, then press chicken strips into flour mixture again until fully coated. (For less mess, use tongs to dip and transfer! Discard any excess flour mixture and egg after coating.)

5.

Heat a ⅓-inch layer of **oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated chicken** (work in batches for 4 servings). Cook until golden brown and cooked through, 3–5 minutes per side. (If chicken begins to brown too quickly, lower that heat!) Transfer to a paper-towel-lined plate; season with **salt**.

6.

Wrap **tortillas** in damp paper towels. Microwave until warm and pliable, 30 seconds. Lay tortillas on a cutting board. Spoon **creamy slaw** onto the bottom half of each tortilla. Top slaw with **crispy chicken**. Fold up bottom side of each tortilla over filling, then roll up tortillas to form open-sided **wraps**. (Don't worry if some of the chicken pieces poke out of the sides—they're just as tasty!) Halve crosswise on a diagonal. Divide wraps between plates. Serve with **oven fries** on the side (with more ketchup for dipping if you like).

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
