Want to nail the perfect pot of rice? Once your water boils in Step 1, immediately cover the pot with a tight-fitting lid and reduce heat to the lowest setting. Let it simmer until no water remains (resisting the urge to peek!). Finally, let the pot sit off heat for a few minutes while you cook the rest of the meal. This crucial step allows the moisture to redistribute, giving you tender, fluffy grains every time.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. In a small pot, combine **rice**, **1¼ cups water (2¼ cups for 4 servings)**, and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, core, deseed, and dice **green pepper** into ¾-inch pieces. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Peel and finely chop **ginger**. In a small bowl, whisk together **ponzu**, **chili sauce**, **1 tsp cornstarch (2 tsp for 4 servings; you'll use the rest in the next step)**, **2 tsp sugar (4 tsp for 4)**, and **¼ cup water (⅓ cup for 4)**.

3.

Open package of **chicken** and drain off any excess liquid. Place chicken in a medium bowl; pat dry with paper towels. Season with **salt** and **pepper**, then toss with **remaining cornstarch**. Heat a **large drizzle of oil** in a large pan over high heat. Add chicken in a single layer and cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Remove from pan and set aside.

4.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **green pepper** and season with **salt** and **pepper**. Cook, stirring often, until browned and softened, 3–5 minutes. Add another **drizzle of oil**, **scallion whites**, **garlic**, and **1 tsp ginger (2 tsp for 4 servings)**. Cook, stirring, until fragrant and softened, 1 minute.

5.

Add **cooked chicken** and **ponzu mixture** to pan. Cook, stirring, until sauce has thickened, 1 minute more. Remove pan from heat and stir in **1 TBSP butter (2 TBSP for 4 servings)** until melted. If sauce is too thick, add a **splash of water**.

6.

Fluff **rice** with a fork; stir in **1 TBSP butter** and a **pinch of salt**. Divide rice between bowls or plates and top with **stir-fry** and **scallion greens**.

*Poultry is fully cooked when internal temperature reaches 165°.
