MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Dice **tomato** into ¼-inch pieces.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water**, then drain.

3.

Place **panko** in a shallow dish. Place **½ cup flour** in a separate shallow dish. In a third shallow dish, crack **one egg (two eggs for 4 servings)**; beat with a fork. Season dishes with **salt and pepper**. Pat **chicken** dry with paper towels; place between two large pieces of plastic wrap. Pound with a mallet or rolling pin until ½ inch thick. Season with **salt and pepper**. Working one piece at a time, press chicken into flour. Gently shake off excess, then dip into **beaten egg**. Let excess drip off, then press into panko. Heat a **¼-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of panko** sizzles, add **coated chicken**. Cook until browned and cooked through, 3–5 minutes per side.

4.

Heat a **drizzle of olive oil** in a second large pan over medium-high heat. Add **diced tomato** and season with **salt and pepper**. Cook, stirring occasionally, until softened, 2–3 minutes. Add **Italian Seasoning** and **tomato paste** and cook, stirring, until tomato paste is brick red in color, 1 minute. Stir in **stock concentrate** and **½ cup milk (1 cup for 4 servings)** and bring to a simmer. Cook, stirring occasionally, until slightly reduced, 2–3 minutes.

5.

Remove **sauce** from heat; stir in **drained pasta** and **cream cheese**, adding **splashes of reserved pasta cooking water** as needed until everything is coated in a creamy sauce.

6.

Slice **chicken** crosswise. Divide **pasta** between bowls and top with chicken.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
