MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 450 degrees. Bring a medium pot of **salted water** to a boil. **Wash and dry produce.** Place **panko**, **Fry Seasoning**, **1 tsp salt** (**2 tsp for 4 servings**), and **pepper** in a large zip-close bag (**or medium bowl**). Trim and thinly slice **scallions**, separating whites from greens.

2.

Pat **chicken** dry with paper towels. Lightly drizzle with **oil**; rub to coat on all sides. Add chicken to bag (**or bowl**) with **seasoned panko**; seal to close. Shake until chicken is fully coated. (**It's OK if breading doesn't all stick at first. Once chicken is on a baking sheet, use your hands to fill any missing spots with excess panko.**) Place **coated chicken** on a baking sheet; roast on top rack until panko is golden brown and chicken is cooked through, 15–20 minutes.

3.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (**2 cups for 4 servings**), then drain. Reserve pot.

4.

Heat pot used for pasta over medium–low heat; whisk in **scallion whites**, **cream sauce base**, **cornstarch**, **cheese**, **½ cup reserved pasta cooking water**, and **½ cup milk** (**1 cup reserved pasta cooking water and 1 cup milk for 4 servings**). Season with a **big pinch of salt** and **pepper**. Bring to a simmer; cook, whisking frequently, until thickened, 2–3 minutes. Stir **drained pasta** into sauce until coated, adding splashes of reserved pasta cooking water as needed. Taste and season with **salt** and **pepper** if desired.

5.

Divide **chicken** and **mac 'n' cheese** between plates. Garnish with **scallion greens**.

**Poultry is fully cooked when internal temperature reaches 165°.*
