MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Place **garlic herb butter** in a small microwave-safe bowl; bring to room temperature. **Wash and dry produce.** Halve, peel, and finely dice **half the shallot**; thinly slice remaining. Trim **green beans** if necessary. Zest and halve **lemon**; squeeze **juice** into a separate small bowl until you have 1½ tsp (**3 tsp for 4 servings**). Cut remaining lemon into wedges. Cut **2 TBSP plain butter** (**4 TBSP for 4**) into ½-inch cubes.

2.

Place **sliced shallot** in a small pot. Add a ⅓-inch layer of oil and heat over medium-high heat. Cook, stirring frequently, until golden brown and crispy, 8–10 minutes. (**If shallot begins to brown too quickly, lower that heat!**) Using a slotted spoon, transfer shallot to a paper-towel-lined plate.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Pat **salmon** dry with paper towels and season all over with **salt** and **pepper**. Add to pan, skin sides down. Cook until skin is crisp and fish is almost cooked through, 5–7 minutes. Flip and cook until cooked through, 1–2 minutes more. Turn off heat; transfer to a plate and tent with foil to keep warm. Wipe out pan.

4.

While salmon cooks, place **green beans** in a large, microwave-safe bowl with a **splash of water**. Cover bowl tightly with plastic wrap and poke a few holes in wrap. Microwave until bright green and tender, 2–3 minutes. Drain and return green beans to bowl; toss with ½ TBSP **plain butter** (**1 TBSP for 4 servings**), **salt**, and **pepper**.

5.

Heat **1 TBSP plain butter** (**2 TBSP for 4 servings**) in pan used for salmon over medium heat. Add **diced shallot**; cook, stirring, until fragrant and translucent, 1–2 minutes. Stir in **lemon juice** and ¼ cup **water** (**½ cup for 4**); season with **salt** and **pepper**. Cook until reduced by about half, 1–2 minutes more. Remove from heat. Stir in **cream cheese** and **cubed plain butter** until melted and combined. Stir in a **pinch of lemon zest**.

6.

Halve and toast **ciabatta**. Spread cut sides with **softened garlic herb butter** (**if garlic herb butter is not yet softened, microwave for 5–10 seconds**) and cut each half on a diagonal. Divide **salmon**, **green beans**, and **garlic bread** between plates. Top green beans with **crispy shallots**. Spoon **sauce** over salmon and sprinkle with a **pinch of lemon zest**. Serve with any **remaining lemon wedges** on the side.

**Fish is fully cooked when internal temperature reaches 145°.*
