MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Pat **artichoke hearts** dry with paper towels.

3.

Once water is boiling, add **ravioli** to pot, then immediately reduce heat to low. Cook, stirring occasionally, until ravioli are tender and floating to the top, 4–5 minutes. Reserve **½ cup pasta cooking water (1 cup for 4 servings)**, then drain. Gently shake ravioli in strainer to remove as much moisture as possible.

2.

Meanwhile, melt **1 TBSP butter (2 TBSP for 4 servings)** in a large pan over medium–high heat. Add **panko, garlic powder, salt, and pepper**. Cook, stirring, until golden brown and toasted, 3–4 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

4.

While ravioli cook, heat a **large drizzle of oil** in pan used for panko over medium–high heat. Add **artichoke hearts and tomatoes**. Lightly season with **salt and pepper**. Cook, stirring occasionally, until artichokes brown and tomatoes begin to burst, 4–5 minutes. **(If tomatoes don't burst, gently press with the back of a spoon.)** Reduce heat to low; add **¼ cup pasta water (½ cup for 4 servings)**, **cream sauce base**, and **stock concentrate**. Cook, stirring, until sauce has thickened, 2–3 minutes. Stir in **drained ravioli**; taste and season with **salt and pepper**.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in pan used for panko over medium–high heat. Add chicken or **beef**; season with **salt and pepper**. Cook, stirring frequently, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan. Cook through the rest of the step as instructed. Stir chicken or beef back into pan along with **drained ravioli**.

5.

Divide **ravioli** between bowls. Sprinkle with **cheese** and top with as much **toasted garlic panko** as you like.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
