In Step 4, you'll pound your chicken between two pieces of plastic wrap (psst—you can also use a big zip-close bag!). Think of this process as your weeknight stress reliever and, more importantly, your ticket to fast, even cooking and crispy edges! That's a win-win-win.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to middle and top positions and preheat oven to 425 degrees. **Wash and dry produce.** Peel and finely chop **garlic**. Cut **potatoes** into ½-inch-thick wedges. Trim **green beans** if necessary. In a small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4 servings**) and a **pinch of garlic**. Taste and season with **salt and pepper**; set aside.

↔ Cut **broccoli** into bite-size pieces or trim and halve **Brussels sprouts** lengthwise.

2.

Toss **potato wedges** on one side of a baking sheet with a **drizzle of oil, half the Italian Seasoning, salt, and pepper**. Roast on middle rack for 10 minutes. Remove sheet from oven and carefully toss **green beans** on empty side of sheet with a **drizzle of oil, salt, and pepper**. Roast until potatoes and green beans are browned and tender, 12–15 minutes more.

↔ Swap in **broccoli** or **Brussels sprouts** for potatoes; roast on middle rack for 5 minutes. Cook through the rest of this step as instructed.

3.

Meanwhile, place **¾ cup flour** (**1½ cups for 4 servings**) in a shallow dish. In a second shallow dish, crack **one egg** (**two eggs for 4**); whisk in **2 TBSP water** (**4 TBSP for 4**). In a third shallow dish, combine **panko** and **remaining Italian Seasoning**; season with **salt** (**we used 1 tsp; 2 tsp for 4**) and **pepper**.

4.

Pat **chicken** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or rolling pin until about ½ inch thick. (**Skip if your chicken is already ½ inch thick.**) Season all over with **salt and pepper**. Working one piece at a time, press both sides of chicken into **flour** until fully coated. Shake off excess flour, then dip into **egg mixture**. Let excess egg drip off, then press into **seasoned panko** until fully coated. (**Discard any excess flour and egg after coating.**)

5.

Heat a **½-inch layer of oil** in a large, heavy-bottomed pan over medium-high heat. Once oil is hot enough that a **pinch of panko** sizzles when added to the pan, add **coated chicken**. Cook until golden brown and cooked through, 3–5 minutes per side. Transfer to a second baking sheet. (**For 4 servings, you may need to cook chicken in batches.**)

6.

Evenly spread tops of **chicken** with **marinara** and sprinkle with **cheese**. Bake on top rack until cheese is melted and begins to brown, 3–4 minutes. (**Watch chicken carefully to avoid burning!**) Divide chicken, **potatoes**, and **green beans** between plates in separate sections. Serve with **garlic aioli** on the side for dipping.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
