MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a large bowl. Wipe out pan.

2.

Meanwhile, trim, peel, and cut **carrots** into sticks (like fries—ours were 3 inches long and 1/3 inch wide). Trim and halve **celery** lengthwise into sticks.

3.

Add **cheddar**, **cream cheese**, **sour cream**, and **Buffalo sauce** to bowl with **chicken**; stir to combine.

4.

Place **tortillas** on a clean work surface. Spread **Buffalo chicken filling** on one half of each tortilla, then fold in half to create **quesadillas**. Heat a **drizzle of oil** in pan used for chicken over medium-high heat. Add quesadillas; cook until tortillas are browned and cheese melts, 1–2 minutes per side. (Depending on the size of your pan, you may need to work in batches.) Transfer to a cutting board.

5.

Cut **quesadillas** into three wedges each. Divide between plates and serve with **carrot sticks**, **celery sticks**, **tortilla chips**, and **ranch** on the side for dipping.

*Poultry is fully cooked when internal temperature reaches 165°.
