BEZI

BEZI Red Pepper Labneh is creamy labneh blended with smoky red pepper and spices—a Middle Eastern dairy dip and spread made from milk, cream, and cultures. With the same amount of protein as hummus and 40% less fat, it's an easy way to add a little spice and extra protein to pitas, sandwiches, and bowls.

Labneh is a thick and tangy Middle Eastern soft cheese that tastes like a cross between yogurt and cream cheese. Use any leftovers as a dip or spread, or dollop it on top of veggies or meat.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Finely dice **tomato**. Trim and finely dice **cucumber**. Finely chop **parsley**, including tender stems.

2.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a small pot over medium-high heat. Stir in **couscous** and cook, stirring frequently, until golden brown and toasted, 2–3 minutes. Add **¾ cup water** (**1½ cups for 4**) and a **big pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until couscous is tender, 6–8 minutes. Keep covered off heat until ready to serve.

3.

In a small bowl, combine **tomato**, **cucumber**, **half the parsley**, and **half the vinaigrette**. In a separate small bowl, combine **2 TBSP BEZI Red Pepper Labneh** (**4 TBSP for 4 servings**) with remaining vinaigrette. Add **water**, a splash at a time, until mixture reaches a drizzling consistency. Set **labneh sauce** aside (**you'll use it in Step 5**).

4.

Pat **salmon** dry with paper towels and season all over with **half the harissa powder** (**all for 4 servings**), **salt**, and **pepper**. Heat a **drizzle of oil** in a medium pan (**large pan for 4**) over medium-high heat. Add salmon, skin sides down, and cook until skin is crisp and fish is almost cooked through, 5–7 minutes. (**Turn down the heat if salmon is browning too quickly.**) Flip and cook until opaque and cooked through, 1–2 minutes more.

5.

Add **3 TBSP BEZI Red Pepper Labneh** (**6 TBSP for 4 servings**) to pot with **couscous**; stir to combine. Taste and season with **salt** and **pepper**. Divide **couscous**, **salmon**, and **cucumber tomato salad** between plates. Drizzle salmon with **labneh sauce**. Sprinkle salmon and couscous with any **remaining parsley**. (**Use as much of the remaining BEZI Red Pepper Labneh as you like.**)

Enjoy the smoky, protein-packed BEZI labneh in your meal!

*Fish is fully cooked when internal temperature reaches 145°.
