\$20

Why do we ask you to cut your carrots on a diagonal in Step 1? These bias cuts (in chef speak) not only make for a striking, restaurant-style presentation, but they also maximize the surface area on each slice—that means even more crispy roasted spots!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Trim, peel, and cut **carrots** on a diagonal into ¼-inch-thick pieces. Halve, peel, and thinly slice **onion**.

2.

Toss **potatoes** on one side of a baking sheet with a **drizzle of oil, salt, and pepper**. Toss **carrots** on empty side with a **drizzle of oil, salt, and pepper**. Roast on top rack until veggies are browned and tender, 20–25 minutes.

3.

While veggies roast, heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion**; cook, stirring occasionally, until lightly browned and softened, 8–10 minutes. Sprinkle with **1 tsp sugar**, then stir in **stock concentrate** and **2 TBSP water** (**2 tsp sugar and 4 TBSP water for 4 servings**). Season with **salt** and **pepper**. Cook until caramelized and jammy, 2–3 minutes more. Turn off heat; transfer to a small bowl. Wash out pan.

4.

Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in same pan over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side. In the last 1–2 minutes of cooking, top with **caramelized onion** and **cheese**. Cover pan until cheese melts. (**If your pan doesn't have a lid, cover with a baking sheet!**)

5.

Divide **chicken, potatoes, and carrots** between plates.

*Poultry is fully cooked when internal temperature reaches 165°.
