MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and thinly slice **mushrooms** (**skip if your mushrooms are pre-sliced!**). Halve, peel, and finely chop **onion**. Peel and finely chop **garlic**. Strip **thyme leaves** from stems; roughly chop leaves until you have 1 TBSP (**2 TBSP for 4 servings**). In a large liquid measuring cup or bowl, combine **stock concentrates** with **4 cups hot water** (**7 cups for 4**).

2.

Heat a **large drizzle of oil** in a large pan over medium-high heat. Add **mushrooms** and season with **salt** and **pepper**. Cook, stirring, until browned and tender, 5–7 minutes. Remove from pan and set aside.

3.

Heat a **drizzle of oil** and **1 TBSP butter** in same pan over medium-high heat. Add **onion**, **garlic**, and **chopped thyme**. Season with **salt** and **pepper**. Cook, stirring, until tender, 4–5 minutes. Stir in **rice** until slightly translucent, 1 minute.

4.

Add **½ cup stock** to pan with **rice mixture**. Cook, stirring, until liquid has mostly absorbed. Repeat with remaining stock—adding ½ cup at a time and stirring until liquid has mostly absorbed—until rice is al dente and mixture is creamy, 25–30 minutes. (**Depending on the size of your pan, you may need a little more or a little less liquid. If you run out of stock before the risotto is done, swap in warm water.**) Season with **salt** and **pepper**.

5.

Once **risotto** is done, stir in **mushrooms**, **half the cheese**, and **1 TBSP butter** (**2 TBSP for 4 servings**) until combined. Season generously with **salt** and **pepper**. Divide between bowls and top with remaining cheese.
