\$20

You might be wondering why we have you put your oven-ready tray on a baking sheet in Step 3. (Good question!) The baking sheet is there to catch anything that may bubble over from your tray while it cooks—plus, it makes moving the tray to and from the oven a breeze!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 450 degrees. **Wash and dry produce.** Drain **beans**. In **oven-ready tray**, combine beans, **pulled pork**, **corn** and its liquid, **Tex-Mex paste**, and **Southwest Spice Blend**. (For 4 servings, evenly divide ingredients between two trays.)

2.

Quarter **lime**. Pick **cilantro leaves** from stems. Trim and thinly slice **radishes**.

3.

Place **oven-ready tray** on a baking sheet (**be sure your oven has preheated!**). Bake on top rack until warmed through and lightly crisp on top, 10–12 minutes. (For 4 servings, **bake two trays side by side on same sheet.**) Remove from oven and top with **cheese**; return to top rack and bake until cheese melts, 2–3 minutes.

4.

In a small bowl, combine **sour cream** and a **big squeeze of lime juice**; add **water** a splash at a time until mixture reaches a drizzling consistency. Wrap **tortillas** in damp paper towels. Microwave until warm and pliable, 30 seconds.

5.

Serve **pork and black beans** directly from tray, or divide between bowls. Garnish with **cilantro**. Serve with **tortillas**, **radishes**, and **lime crema** on the side.
