MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and discard root end from **lettuce**; chop leaves into bite-size pieces. Dice **tomato** into ½-inch pieces. Trim, peel, and grate **carrot** on the largest holes of a box grater. Using a peeler, shave **Parmesan** into ribbons (**skip this step if pre-shredded**).

2.

Place ½ cup **flour** (1 cup for 4 servings) in a shallow dish. Crack **one egg** (two eggs for 4) into a separate shallow dish; add 2 TBSP **water** (4 TBSP for 4) and whisk to blend. Place **panko** in a third shallow dish. Season all three dishes generously with **salt** and **pepper**.

3.

Pat **chicken** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or heavy-bottomed pan until about ½ inch thick. Season all over with **salt** and **pepper**. Working one piece at a time, press chicken into **flour** until fully coated. Gently shake off excess, then dip both sides into **beaten egg**. Let excess egg drip off, then press into **seasoned panko** until fully coated. (**For less mess, use tongs to dip and transfer! Discard any excess flour, egg, and panko after coating.**)

4.

Heat a ⅓-inch layer of **oil** in a large, heavy-bottomed pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated chicken**. Cook until golden brown and cooked through, 3–5 minutes per side. (**If chicken begins to brown too quickly, lower that heat!**) Transfer to a paper-towel-lined plate; immediately season with **salt** and brush with **Buffalo sauce**.

5.

In a large bowl, toss together **lettuce**, **tomato**, **carrot**, and **dressing** until well combined.

6.

Thinly slice **Buffalo chicken** crosswise. Divide **salad** between bowls; top with chicken and **Parmesan**.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
