MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Core, deseed, and finely dice **bell pepper**. Quarter **lime**. Trim and discard root end from **lettuce**; separate leaves. Finely chop **cilantro**.

2.

Heat a large, preferably nonstick, pan over medium-high heat. Add **peanuts**, **2 TBSP water**, and **1 tsp sugar** (**4 TBSP water and 2 tsp sugar for 4 servings**). Cook, stirring, until water has evaporated and peanuts are coated and lightly toasted, 3-5 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

3.

Heat a **drizzle of oil** in pan used for peanuts over medium-high heat. Add **bell pepper**; season with **salt** and **pepper**. Cook, stirring, until tender and lightly browned, 5-8 minutes. Transfer to a plate.

4.

Heat a **drizzle of oil** in pan used for bell pepper over medium-high heat. Add **turkey**; cook, breaking up meat into pieces, until browned and cooked through, 4-6 minutes. Return **bell pepper** to pan. Stir in **sweet Thai heat sauce** and **1 TBSP butter** (**2 TBSP for 4 servings**). Cook, stirring, until everything is thoroughly coated, 2-3 minutes. Remove from heat; stir in a **squeeze of lime juice** to taste.

5.

Divide **lettuce leaves** between plates; fill with **turkey and bell pepper**. Garnish with **cilantro** and **candied peanuts**. Serve with any **remaining lime wedges** on the side.
