\$20

When we suggest how much salt to put in your meatloaves in Step 2, it's not because we don't trust you. We simply want to make sure you have a delicious meal, and seasoning properly = more flavor. Want to know if you've added enough salt? Pinch off a small piece of meatloaf mix and cook it in a bit of oil. Taste and adjust as needed!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 425 degrees. **Wash and dry produce.** Peel and finely chop **garlic**. Cut **broccoli** into bite-size pieces. Cut **sweet potatoes** into ½-inch-thick wedges. Halve, peel, and thinly slice **onion**. In a small bowl, combine **half the mustard** and **1 TBSP ketchup** (all the mustard and 2 TBSP ketchup for 4 servings). Season with **salt** and **pepper**. In a separate small bowl, combine **dressing** with **2 TBSP mayonnaise** (4 TBSP for 4).

Trim **green beans** if necessary or trim and halve **zucchini** lengthwise. Slice zucchini crosswise into ½-inch-thick half-moons.

3.

Toss **sweet potatoes** on a second baking sheet with a **large drizzle of oil**, **remaining Fry Seasoning**, **salt**, and **pepper**. Roast sweet potatoes on top rack until browned and tender, 18–20 minutes. Roast **meatloaves** and **broccoli** on middle rack for 15 minutes (you'll glaze the meatloaves then).

Swap in **green beans** or **zucchini** for sweet potatoes; roast until browned and tender, 12–15 minutes.

5.

Once **meatloaves** have roasted 15 minutes, remove sheet from oven. Carefully brush tops with **mustard-ketchup mixture**. (If **broccoli is already browned and tender**, transfer to a plate.) Return sheet to middle rack; roast until meatloaves are cooked through, glaze is tacky, and broccoli is browned and tender, 5–6 minutes more.

2.

In a medium bowl, soak **bread** with **2 TBSP milk** (4 TBSP for 4 servings); break up with your hands until pasty. Add **beef**, **garlic**, **half the Fry Seasoning** (you'll use the rest in the next step), **salt** (we used ¾ tsp; 1½ tsp for 4), and **pepper**. Form into two 1-inch-tall loaves (four loaves for 4). Place on one side of a baking sheet. Toss **broccoli** on empty side of sheet with a **drizzle of oil**, **salt**, and **pepper**.

4.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion** and a **pinch of salt and pepper**. Cook, stirring occasionally, until softened and lightly browned, 8–10 minutes. Add **stock concentrate**, **1 tsp sugar**, and **¼ cup water** (2 tsp sugar and ⅓ cup water for 4 servings). Cook, stirring, until caramelized and jammy, 2–3 minutes more. Turn off heat; stir in **1 TBSP butter** (2 TBSP for 4).

6.

Divide **meatloaves**, **broccoli**, and **sweet potato wedges** between plates. Top meatloaves with **caramelized onion**. Serve with **honey mustard mayo** and more **ketchup** on the side for dipping if you like.

*Ground Meat is fully cooked when internal temperature reaches 160°.
